

Lesson Plans - Days of the Week

To be used with the album:

“Come and See My Rainbow - Kindergarten Music Volume 1” by Barb McIlquham

Before Teaching the Song:

1. Using a calendar, review the days of the week with your class.
2. Discuss what different activities you would do on certain days of the week.

After Teaching the Song:

1. Have the students sing the song while pointing to each day of the week on the calendar. They students may then take turns pointing to the days of the week while singing the song.
2. This song can be used on a daily basis with your classroom calendar activities.
